

Three masked gunmen on the loose following Charlie Hedbo massacre 'identified'

[Two of the gunmen](#) are French nationals and natives, according to the report, and are brothers. The third, a homeless man, has been identified, but police have not yet confirmed his nationality.

Police have reportedly positively identified the gunmen but have yet to release their names; this was confirmed in a tweet by *Le Monde* shortly after the *Metro* report aired.

Update – the names are now released. And, surprise, surprise, the two brothers are recently returned from Syria. According to
