

Tommy Robinson Attacked, Hospitalised One Week After Revealing Islamists Are Out To Kill Him

It's been clear from the beginning the UK government had tried to stop Tommy's efforts to resist Islamization in Britain. They seemingly wanted to decapitate and thus destroy the EDL by jailing Tommy repeatedly and by doing nothing to protect him from violent attack. The same pattern is repeating with PEGIDA UK. From [revealed](#) on Facebook yesterday. The attack is thought to have occurred on Saturday night.

"He was on a night out with his wife and was found unconscious", wrote Mrs. Gower. Adding: "They have been at the hospital all night and he has had his head glued up, yet again!"

"Had an xray and CT scan as well and is [sic] suffering from concussion. He is asleep at the moment but I'm sure he will be on later today."

When asked on the John Gaunt radio show on the 11th of February, just last week, if he thought his life was under threat and someone might try to "execute you like they executed Lee Rigby",
