

# UN Children-and-Armed-Conflict Report Castigates Israel

by Hugh Fitzgerald

A UN report on “children in armed conflict” has just been submitted to the Security Council. It focuses on Israel, and relies heavily on anti-Israel NGOs for its contents. Naturally, those NGOs chose to demonize Israel in every way they could. The scandalously biased report is discussed here: “Watchdog Group Says UN Report on Children and Armed Conflict Biased Against Israel Due to NGO Influence,” [Jihad Watch](#).
