

Undercovered Jihad News

The White House released the following list of jihad terror attacks after Judge Robart in Seattle decided that suspending visas and refugees from those seven countries was unwarranted. The media is complaining that they did cover these attacks, but of course, the problem is that very few in the media connect the glaringly obvious dots between Muslim immigration and jihad terror attacks in Western countries.

TIMELINE: September, 2014 – December, 2016
