Wisdom of Crowds Redux

by G. Murphy Donovan (January 2016)

 ${f I}_{
m f}$ you cannot appreciate the "wisdom of <u>crowds</u>," you will never understand American democracy or the Trump phenomenon. Trial by fire builds character — and constituencies.

The other day a headline read; "Donald Trump declares war on Muslims." After reading the subtext, you could have concluded that the real war might be with biased journalists and lunatic Muslims, in that order. more>>>
